DENUCLEARIZATION TRACK

1. It may take as much as 24 hours to persuade the Brazilian Government to sponsor our resolution in place of theirs in the Organ of Consultation and the United Nations. A telegram to Ambassador Gordon and conversations with the two Brazilian Ambassadors here would initiate action.

2. With Brazilian sponsorship it should be possible in 24 hours to secure action close to unanimity by the Organ of Consultation on the resolution. Telegrams to our Ambassadors in each of the Organ of Consultation countries, as well as Ambassadors here, would be utilized to secure support.

3. Immediately the Organ of Consultation has acted the Brazilians should submit a similar proposal to the United Nations for approval.

There is attached a draft resolution which we would ask the Brazilians to sponsor.

It is possible that the above 48 hour schedule could be cut, and, if approval is given tonight, the Organ of Consultation might act Saturday morning.
